

8th International Congress on Computational Mechanics and Simulation (ICCMS 2022)

Under the auspices of
Indian Association of computational Mechanics (IndACM)
 to be held at
Indian Institute of Technology Indore. December 09-11, 2022

Call for Sponsorship

Under the auspices of the Indian Association for Computational Mechanics (IndACM), International Congress on Computational Mechanics and Simulation (ICCMS) is organized biennially. The 8th ICCMS will be held at IIT Indore during 09th - 11th December 2022. More than 30 internationally renowned experts have already confirmed speeches and participation during the congress. Further details regarding the confirmed speakers and attendees can be found on the congress website (http://iccms2021.iiti.ac.in/speakers/plenary_speakers). The event is receiving an overwhelming response against the call for submission of abstracts from eminent scientists, faculties, and researchers across various organizations within and outside India. The expected numbers of delegates, attending the congress are 300+ from all over India and abroad. Through this call, we invite your esteemed organization for sponsorship in the event. The category and benefits of sponsorship are listed below for your quick reference.
